1. Local and State Rules govern this Competition.
2. Competition is open to all amateur winemakers over 21 years of age. Amateur is defined as a person who does not hold an enology degree, and who makes wine only non-commercially, without assistance from any commercial winemaking facility. No commercial wines may be entered in this competition.
3. Wines are to be bottled & labeled in 750 milliliter or fifth bottles, except Dessert Wines & Ciders which may be entered in 375 milliliter or tenth bottles.
4. **Exhibitors must provide two bottles of wine in each class entered.**
Bottles not used in the judging may be claimed by the exhibitor at the end of the Fair. Entries will be displayed during the Fair and should be properly labeled with the exhibitor's name, division, and class prior to delivery.

5. A written critique of each wine will be made available to each entrant.
6. Every effort will be made to judge similar wines together. Exhibitors are requested to provide adequate information on bottle labels to allow categorization, and it is particularly helpful if sweetness is indicated as sweet, off-dry, or dry. Judges reserve the right to reclassify wines to facilitate judging.
7. The Marin County Fair or its representatives retains the right to refuse or disqualify any entries that do not meet the specifications of the rules of competition.
8. The Danish System of Judging will be used in judging for ribbon awards. Each wine will be judged against established standards of commercial quality, rather than how it compares with the other exhibits. Under this system, it is possible that all, or no, entries could win any given ribbon. Blue Ribbon winners will, however, be judged comparatively for the Best of Show awards. Wines will be judged by professional standards.
9. For further information contact the Fair Manager at 415.473.7048.

■ Judging Scale-Danish System ■
